

Living Jesus, Living Peace

A road to Emmaus

Signs along the Journey

Wednesday, June 23 - 7:00 pm Warm-Up Wednesday

This is set up to be one of those times that we miss the most when we can't meet in person, a time to eat and visit. 😊 It is a time to catch up on what is going on in our congregations and in each other's lives. Bring your coffee and dessert and join us for this fellowship hour. We will have someone from each congregation to talk about what their congregation has been doing, but most of the time will be unscheduled and set aside just to visit. There will be several available to do administrations or to talk with anyone who has a particular need. Tom Alexander will create breakout rooms for those who want administration or a private discussion time.
